At White Lotus Home, we strive to give every customer the (organic or natural) product(s) they dream of. If you are looking for a new CUSTOM Bedding Type PRODUCT, that is currently not a standard product for White Lotus Home, we ask that you please fill out this form and let us send you **a possible QUOTE before we charge you any fees or Create a Sample for you**. A fee will only be required if:

1. The product(s) you are looking for are not standard or very close to a product we already make.
2. You plan to have and keep all rights and not allow White Lotus Home or anyone else to make this product as per your own exact specifications.
3. Required a signed NDA form. Non-Disclosure Agreement.

This form will make the process of developing your new product fast and easy. We do request 2-6 weeks of lead time, depending on the time of year. Our **custom designing is priced at a minimum of \$450 which includes three hours of manufacturing and three hours of office work, plus making you one or two samples. Shipping is normally included on all small items.** If the development of your new idea goes beyond 6 hours, you would first have to agree to extra \$90 hourly fees thereafter. *(We will not charge you anything until you agree to our rough quote first)*

**NOTE:** The more specific you are, the faster we can develop your product. Samples, pictures, and sketches are helpful, please sent to our manufacturing facility in New Brunswick or emailed to [info@whitelotushome.com](mailto:info@whitelotushome.com) This form applies ONLY to NEW products that fall within our norm. Please complete this form and email it to [info@whitelotushome.com](mailto:info@whitelotushome.com)

White Lotus Home offers a variety of materials. [We can send you fiber and fabric samples at your request.](#) Our fibers include green and organic cotton, wool and organic wool, kapok, buckwheat hulls, natural latex & evergreen foam. We carry [natural and organic fabrics](#), and we can help find others.

I hereby agree to pay for a minimum of 6 hours of custom design work.
